Mr. Chris Gilbreath
Hazardous Waste Facilities
Hazardous Materials and Waste Management Division
Colorado Department of Public Health and Environment
4300 Cherry Creek Drive South
Denver, Colorado 80222-1530

Dear Mr. Gilbreath:

This letter is to notify Colorado Department of Public Health and Environment (CDPHE) that the Department of Energy (DOE) plans to implement the Rocky Flats Environmental Technology Site (RFETS) 904 Pad Compliance plan even though the requested concurrence from CDPHE, requested in correspondence dated May 26, 1994, has not been received. DOE feels it is prudent to proceed with this implementation and that, based on verbal communications, CDPHE supports the compliance plan.

Should CDPHE feel differently about the 904 Pad Compliance plan, please notify Frazer Lockhart at 966-7845 or Steve Howard at 966-3040 as soon as possible.
